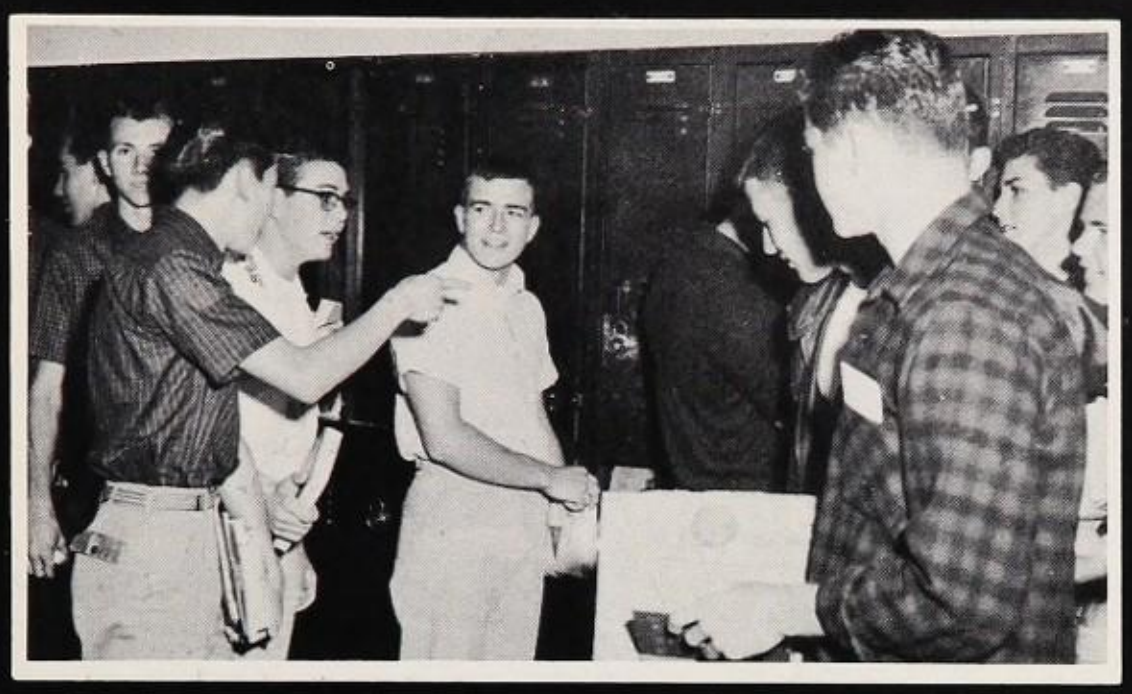
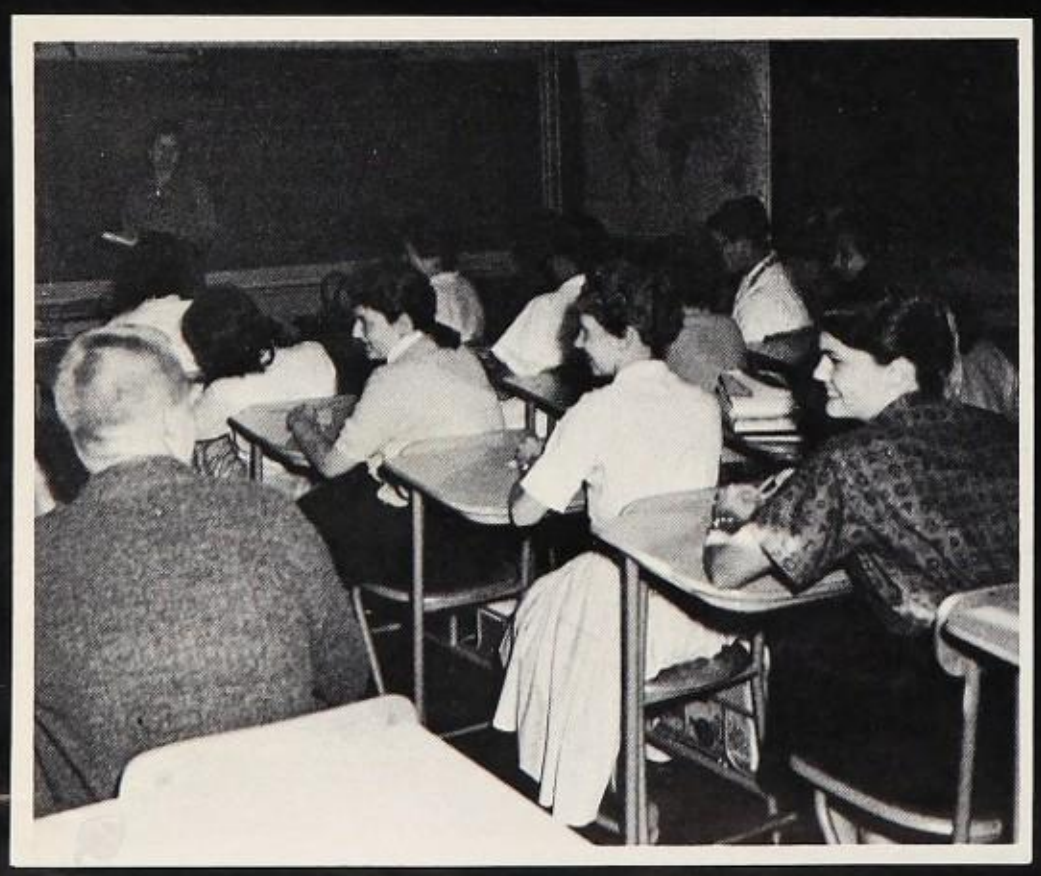
**Class of 1961**

Good morning? Darkness still prevails upon awakening, but you, the student, prod yourself from the bed and, less than an hour later, half - dressed, still asleep, and without breakfast, dash out the door to the bus stop, hoping that the bus will not be as punctual as usual. On the bus you manage to make your way drowsily to a seat with your armload of books, tripping over two fellow students, after which you perch precariously on the edge of the seat defying gravity at every turn.

Dear Cindy,
Your a real cute one and sure can give. We've enjoyed knowing you. Bus. with you. Looks of luck in everything you do. Keep through your really done next it. Have fun this summer.
Love ya
Cheryl Rutherford



Upon arrival at school, the cannibalistic exit begins. You, the last student, trampled and naturally now awake, take the shortest route to the cafeteria for your "continental breakfast." Then you plod resignedly through the now crowded halls to your locker, which never opens.



Gloria

you get everything

(Braybrook)

After the reading of the daily bulletin, which reminds you of two meetings after school which you are to attend, the morning passes uninterrupted save for an occasional fire alarm or air raid drill. You then settle down to seemingly endless hours of schoolwork until lunch.

Gloria
Its to bad you
didn't come in our

been fun. Maybe we'll get
to know each other this
summer. Have fun always

Well, here it is the end of another year. It sure has been fun this year too. I wish you the best of luck always and I hope to see you next year. Have fun this summer!

Janet Sullivan

And then—lunch at last! The weary student is miraculously transformed. You bound out of the classroom and hurry to find your friends, and your food.

Lunch over, you head to your next class, and resume your studies, always with one eye on the clock.

Finally the long awaited bell signalling the end of school rings and you join the mad rush to lockers and buses.

Best of luck to a real sweet kid - Georgia Fichtner -

FALL

# Opening Day

New faces, bewilderment, and swift confusion added enjoyment upon returning to these hallowed halls, so fondly thought of throughout our summer vacation.

The day's highlight was the rally at Corbus Field when the Student Body President, Joe Rapisarda, introduced the new officers, councilmen, yell leaders and pom-pon girls, administrators and counselors, and our foreign exchange student from Germany. The groups presented new routines and yells, instigating the stimulating school spirit which followed our teams through defeats and victories.

Yes, this year at Vallejo Senior High promised to be an outstanding one for all.

The "V" for Vallejo Forever.

# Homecoming

Pom Pon girls at Waterfront Rally

The turnout for the annual Homecoming Rally at Waterfront Park broke all previous attendance records. Starting at the high school, the parade went along Amador and Georgia Streets to the waterfront, where the many gaily decorated cars were judged. The winner of the Best Decorated Car Award was Virginia White, with the badly beaten body of a Santa Rosa Panther protruding from a hugh trash can atop her '53 Ford. The unbounded enthusiasm of the yell leaders and synchronized routine of the pom pon girls materially contributed to the spirited participation of the students.

On Saturday afternoon a 1:00 p.m. kickoff launched a muddy, yet well-played Apache-Panther duel. The Apaches were out-scored 21-13, but certainly not beaten.

A large crowd braved the cold rain and witnessed the crowning of the 1961 Homecoming Queen, Evelyn Dudgeon, at halftime. Her lovely attendants were Doris Fisher and Carol Saal.

Later, at the Homecoming Dance, the queen was again introduced, and reigned over this final Homecoming event.

Our Student Body President awards prize for best decorated car.

# Exchange Student

CRISTA STEINIG

Vallejo Senior High is one of seven schools in the Bay Area that is fortunate enough to have a foreign exchange student. The American Field Service has given us Crista Steinig, from Bremen, Germany. From the seventy applicants who originally applied to come, Crista and six other European students were selected on the basis of intelligence, personality, willingness to learn, ability to get along with others and to accept responsibility. Her American "sister" is Sandi Bernardi.

The plane ride to San Francisco from New York was Crista's first and she thought it very exciting.

The first difference between German and American life she noticed were the comparatively large houses, the wide streets, and the big cars, which seemed so plentiful.

Our "co-educational" school of 2400 students was quite different from her girls' school of 400 in Germany, not only in size and courses of study, but in the comparatively short American school day and year. Speaking and understanding our language was difficult at first, but with the help of teachers and friends, Crista now does very well.

Crista enjoys very much the many clubs and football games. Of the dances she says, "I just love them. I think I haven't missed a single one up till now and I am going to miss them very much when I go home."

After her enjoyable stay, filled with fun, opportunity, and experience in the American way of life, Crista will leave Vallejo in June. After a three-week tour through other parts of the United States, Crista will return to her home in Germany. It has been a privilege and pleasure to have her here. I know we all join in wishing her success, good fortune, and fond memories of Vallejo Senior High.

# Inaugural Ball

## "MIDNIGHT IN MANHATTAN"

The Inaugural Ball, our first formal dance on November 12th, was a huge success. The theme, "Midnight In Manhattan," was capably adapted to our girls gym.

After sailing on the Staten Island ferry in front of the Manhattan skyline, we found ourselves strolling in Central Park or eating cotton candy on the roller coaster at Coney Island. The pleasing rhythms of Mr. Swan's band added to an enjoyable evening under a Manhattan sky.

A recent addition to the teaching aids available at our school is the Language Lab, which gives the student a chance to practice his particular language without interruption.

From a main control, a taped lesson is heard by students in each of the thirty booths, with the aid of a head set and microphone. The device enables the teacher to hear any student as he responds to the various repetition drills, and also helps the student further his listening and language comprehension.

V.H.S. musicians proudly displayed their excellent ratings after returning from the Bay Area Music Festival for Solos and Ensembles held Saturday, March 3 at Stanford University in Palo Alto.

There were over six hundred entries in the festival; three of these were from Vallejo. The Woodwind Quartet, Barbara Bell, Becky Walker, Joyce Nelson, and Jacque Smith received a II rating, which the judges interpreted as excellent.

The String Quartet, Michele Tiernan, Donna Yep, Judy Vollmer, and Nancy Coley also received an excellent rating of II.

The members of the Brass Quartet, Jim Snoke, Barbara Sigler, Gene Allen, and Tom Muntz earned the superior rating of I, the highest awarded at the festival.

These groups were entered by Mr. John Kilarik, orchestra instructor at V.H.S. He also accompanied the musicians on their all day trip to Stanford.

# Key Club

**KEY CLUB OFFICERS**
**FRONT ROW,** left to right: Frank Arellano, Herb Shouse. **SECOND ROW:** Tim Carey, Terry Booras, George Reading.

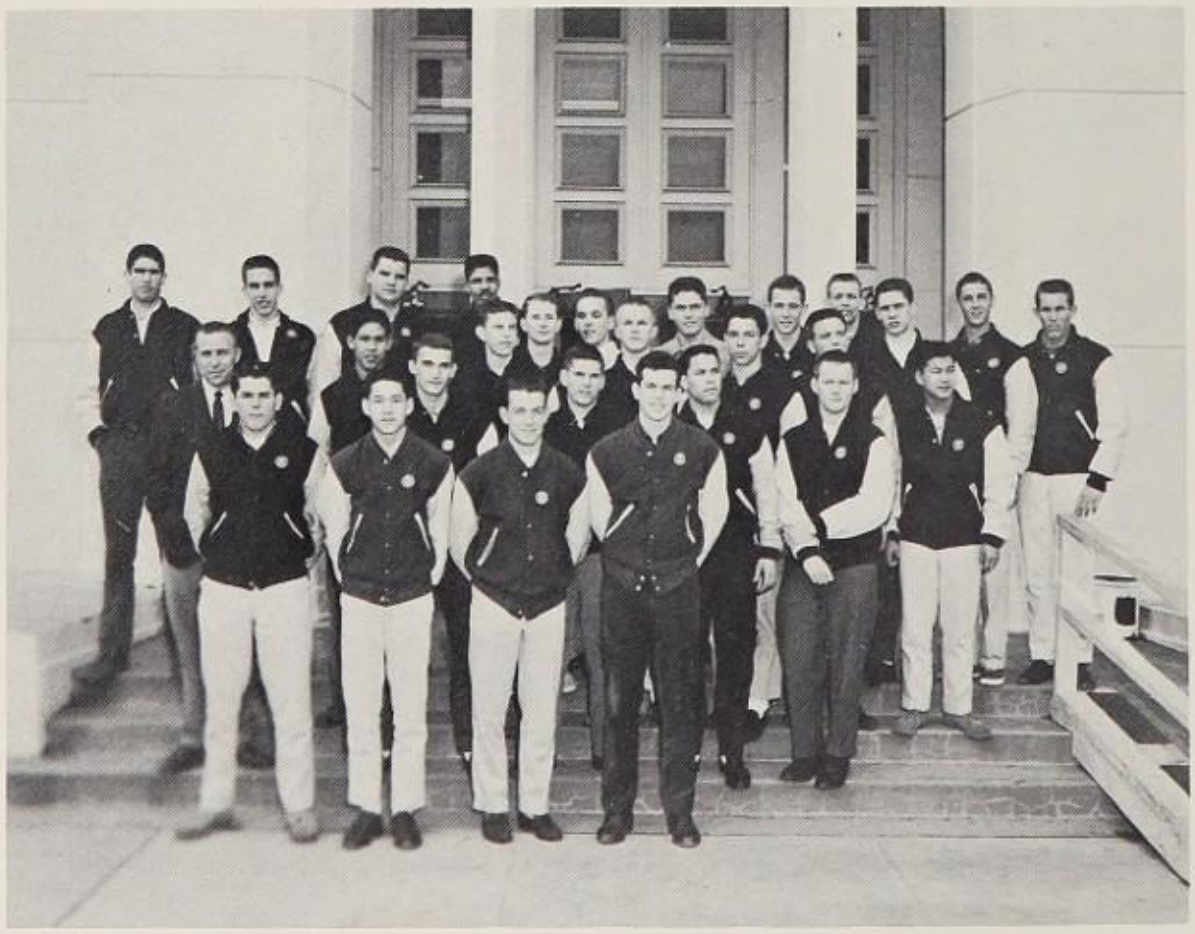
The Key Club, one of our school's most prominent and active groups, is composed of thirty boys, each selected primarily on the basis of character and citizenship. The boys, working individually as well as jointly, strive to maintain high goals and standards through developing initiative and leadership, providing experience in living and working together, and serving the school and community.

In December the Key Club sponsored "Ma Hubbard Week." On Monday and Thursday of that week, they held two slave auctions, wherein Keyclubbers were sold to the highest feminine bidder in exchange for service the following day. The bids ranged from fifty cents to $9.10.

During the noon hour on Wednesday, the Key Club played the Faculty in a basketball game, for which the admission was twenty-five cents or one can of food.

The end to a successful week came with the Saturday night dance, admission fifty cents or two cans of food.

Through these well-planned, well-publicized, and unique activities, the Key Club was able to proudly donate $300 to the Salvation Army, to be used for food to help needy families at Christmas.



**FRONT ROW,** left to right: Ralph Lombardi, Gary Fong, Don Hughes, Herb Shouse. **SECOND ROW:** Mr. Siegel, Bill Sandals, Tom Hennessy, Frank Arellano, Hugh Phinney. **THIRD ROW:** Pete Ancheta, Dick O'Donnell, Fred Bruderlin, Dick Saal, Bill Barron, Lee Monty. **BACK ROW:** Tim Carey, George Reading, Hud Auberlin, Jerry Causey, Terry Booras, Dennis Clarke, Gerry Karr, Bill Orr, Chris Parks, Dave Pedrotti, Bob Smith, Dan King.

## SLAVE AUCTION

The members of one of the more outstanding clubs of Vallejo High were auctioned off to do a day's work for the person who bought them. This project was one of many in which the Key Club raised money to help the needy.

## FOOD DRIVE

This hard working club, in addition to raising $300, gathered hundreds of cans of food, also to be given to the needy families of Vallejo.

## KEY CLUB vs. FACULTY

In this interesting basketball game with the faculty, the club raised a lot of canned food and quite a large sum of money which all went toward a canned food drive which this club put on.

# Christmas Vice Versa

The Vice Versa, sponsored semi-annually by the Associated Women Students, was held on December 10. The night's chill was lost in "Santa's Village" and a holiday atmosphere set with colorful lights and scents of candy from Mrs. Claus' kitchen. Those present enjoyed the pre-Christmas spirit furthered by Larry Reynolds and his Echoes. The highlight of the evening was the crowning of the Ideal Campus Couple, Sue Dillon and Joe Rapisarda, previously selected through popular vote. Publicity Chairman for the event was Terry Booras. Fall A.W.S. officers were Kathy Hanson, President; Vicki Leonard, Vice President; Pam Rasmussen, Secretary; and Margie Buck, Treasurer.

## 1961

The selection of the Queen is traditionally determined by the amount of money a candidate can earn over a two-week period. This year's race between Cathie Howard, representing the Sophomore Class, and Jackie Villamil, representing the Junior Class, presented a close competition.

At the dance celebrating the end of a successful campaign, Queen Jackie receives her crown from Tom Recknagel and her trophy from Don Hughes.

The worthy candidate from the Junior Class became the honored queen, and she will hold her title throughout the year.

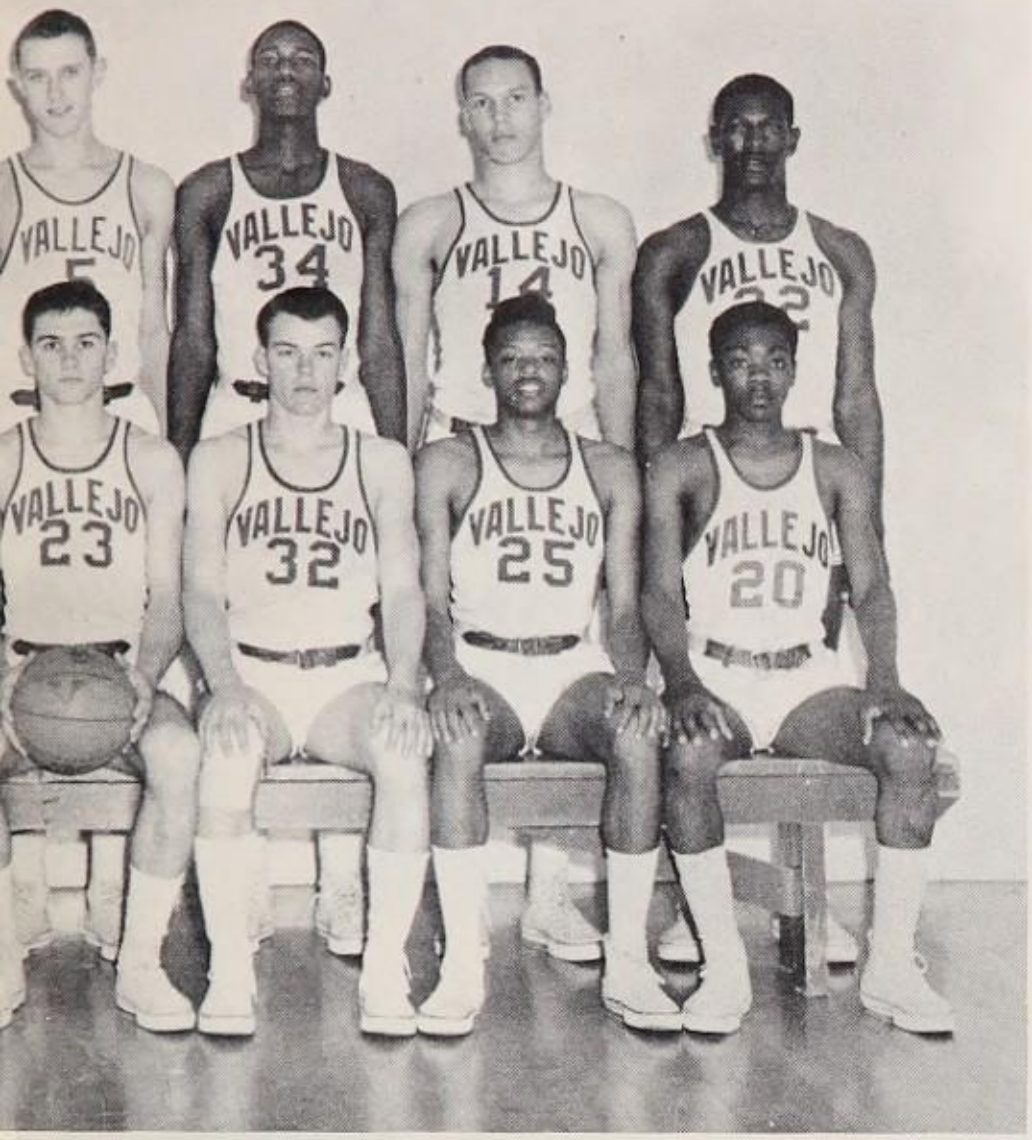
# Varsity

The Vallejo High Varsity Basketball Team did an exceptional job in its 1961 season. The Apaches won praise for their fine efforts from both school and community, as well as an invitation to represent the North Bay League in the annual Tournament of Champions in Berkeley, a thrilling climax to their 19-7 record for the season.

**STARTING FIVE STATISTICS: Dave Plump**—guard—led team in minutes played—wonderful dribbler—above average rebounder. **Frank Mixon**—forward—chosen All North Coast 2nd Team—led Apaches with excellent free throw percentage of 73.4—outstanding field goal percentage of 62.4—188 rebounds—213 points. **Bill Himes**—guard—All Tournament Team—second leading scorer with 234 points—fine dribbler—above average field goal and free throw percentages. **Jerry Causey**—forward and only junior on starting five—All Tournament Team—led in rebounds with 196 and scoring with 262 points—fine field goal and free throw percentages of 39.2 and 67.4 respectively. **John Edmondson**—center — calming effect coupled with steady field goal and free throw percentages—164 rebounds.



**ROW:** Coach Joe Grove, Tim Carey, John Edmondson, Jerry Causey, Don Odale, Frank Mixon, Jim Owens, Dave Plump. Tyrone Tyler and Bruce Harvego.

# "B" Basketball

Under the able leadership of Coach Fran Marra, the Vallejo High "B" basketball team thrilled crowds throughout the season with their excellent display of sportsmanship and ability. These six boys led the Vallejo team through their many victories, which included one over the Saint Vincent's Junior Varsity in the first game.

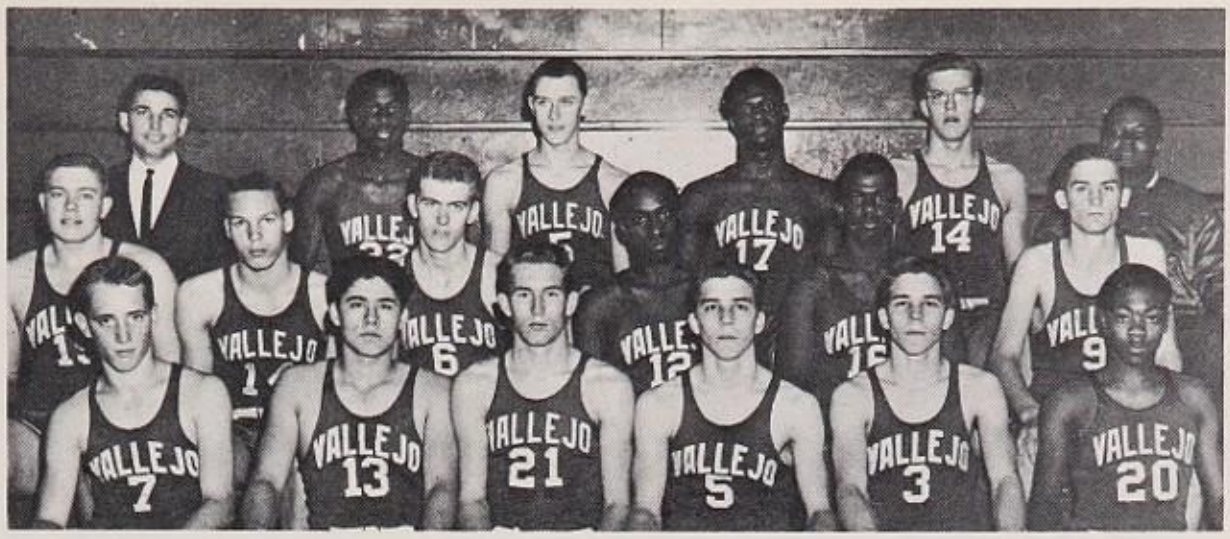
# Junior Varsity



**FIRST ROW,** left to right: Reid Sherwin, Al Difuntorun, Dan King, Arlin True, Allen True, Harvey Williams. **SECOND ROW:**Dick Morgan, Jin Owens, Bob Jacobus, Jim Owens, Doug Rhodes, Jim Herkenrath. **TOP ROW:** Coach Vidaurreta, John Lett, Don Odale, Sylvester Davis, Gary Newman, Tyrone Tyler.

Under the competent direction of Mr. Al Vidaurreta, the Junior Varsity finished the season with a 13-win, 4-loss record. The over-all points for the season were 610 by us, 505 by opponents. Danny King, top scorer, was voted Most Valuable Player, and along with Harvey Williams was an exceptional passer on the floor. Don Odale and Jim Owens were also outstanding players and good on rebounds. Arlin and Alan True are other fine varsity prospects.

# Sophomore

**FIRST ROW,** left to right: Jesse Williams, Mike Denton, Dwayne Iliff, Gary Encerti, John Hickey. **SECOND ROW:** Tobias Hawkins, Everett Flowers, Cris Parks, Larkin Wade. **THIRD ROW:** Coach Tanner, Bob McDaniels, Don Elbeck, Jim Kempton, Jim Anderson.

The Sophomore Basketball team, under the able coaching of Mr. Norm Tanner, had a 11-10 record for the season. Of the 10 losses, 7 were by only two points or less.

Outstanding players of the season were Tobias Hawkins, who led the team in rebounds and scoring; Larkin Wade, second leading scorer; Jesse Williams, guard and good varsity prospect; Gary Encerti and Jim Anderson, other starters who did very well.

The team did exceptionally well the last part of the season. They were continuously good in rebounds. The fact that they finished second in the city league is another cause for high hopes for a fine varsity.

# Choir

# Gidget

In the fall, some members of the Vallejo High Student Body put on a production of Gordon's Comedy, "GIDGET." The play was well-received by the community, student body, and faculty members. Much concentrated effort was put forth by those students with actual roles, but behind-the-scene students also worked hard to insure a fine production.

At the left are three of the feature actors: Art Gallegos, Lonnie Barnet, and Kenny Nunn rehearsing the fight scene.

# Clean-Up Week

The last week in January was set aside as Clean-Up Week. The entire Student Body participated by keeping the campus and homes around the campus clear of litter. As part of the campaign, the members of the Building and Grounds Committee, a sub-committee of the House of Representatives, painted all the litter containers red and white.

**THE BUILDING AND GROUNDS COMMITTEE**

# Dance

# Party

On February 7 members of the Student Council, the yell leaders, pom-pon girls, and their guests visited Dick Stewart's "Dance Party," an afternoon show originating from San Francisco. The hour-long bus trip to the KPIX studios was enjoyed by the many enthusiastic students.

One of our lovely Pom-pon girls, Diane Broksell, entering the bus.

Dancing was the main item on the agenda. Several Vallejo students were interviewed by Mr. Stewart; some participated in the judging of the dance contest which was won by Wes Bentley and Sandi Brennecke.

A definite highlight of the program was the faultless routine done by our pom-pon girls. The excellent persentation won the sincere admiration and praise not only of Mr. Stewart but also of cameramen and other television officials.

The group, composed of sixty students, was sorry to see the show come to a close. Vallejo High can be proud of the fine representation and creditable performance exhibited by its students.

# The Talent Hunt

Three acts from Vallejo High and each of the junior highs in Vallejo auditioned at the Casa de Vallejo Hotel and the winning act from each school participated in the Dick Stewart Talent Hunt. It was held on Friday Night, March 17, 1961, at the Fairgrounds. The winners of the Talent Hunt were the Vicounts, a singing group from Vallejo Senior High and they were given a large trophy. The vicounts will compete with the winners of other local Talent Hunts in San Mateo soon. The Talent Hunt was followed by a dance; Dick Stewart was the master of ceremonies of both events.

Dick Stewart, master of ceremonies meets many of his fans.

Dear Gloria,
It's really been fun having you in History class & I don't get to know you so well.
I hope you have a good summer and a lot of fun your rest of time in school.
Good luck and best wishes always
Susie Stream

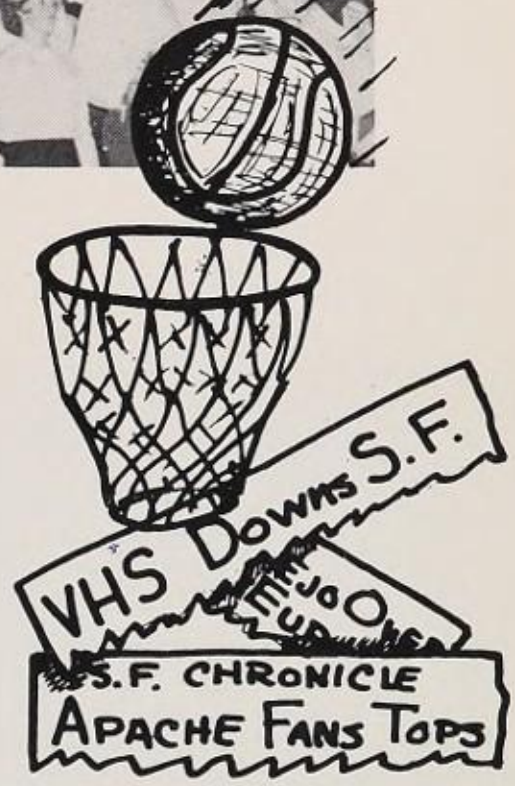
# Tournament of CHAMPIONS



Upon taking both games from Santa Rosa, leading contender in the North Bay League, the Apaches earned their first bid to the Tournament of Champions. After having lost 7 of their first 8 games, the Vallejo Apaches closed out the season with 18 straight wins including impressive victories over three of the teams they had lost to earlier.

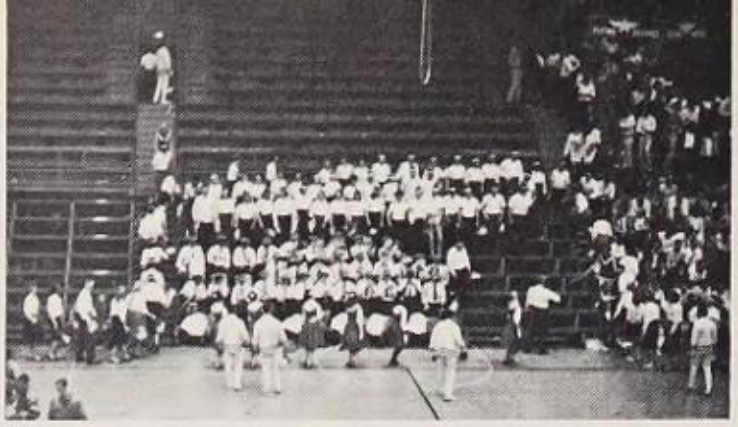
The sports editor of the Vallejo Times-Herald made some fine remarks about the Tournament preparations, which were under the able direction of Mrs. Peg Merrill, Mr. Virl Swan, and our principal, Mr. Al Siegler:

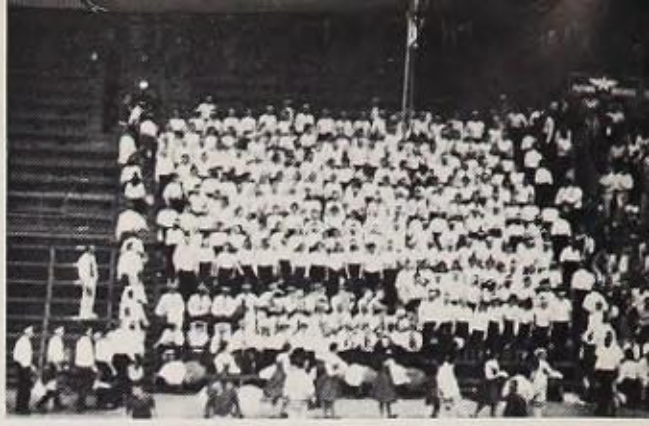
"The wheels started to roll, headbands and feathers had to be ordred and made. Each rooter had to have a red and white pom pon, 19 buses has to be ordered, the student body was alerted, 750 students signed up a $3 for three nights, permission slips had to be signed by parents and returned.

"Advisors made charts of the rooting sections; conferences were held with the yell staff; names of yells were printed on individual cards and, most important of all, two practice sessions were held on Corbus Field with not a soul around but 750 rooters.

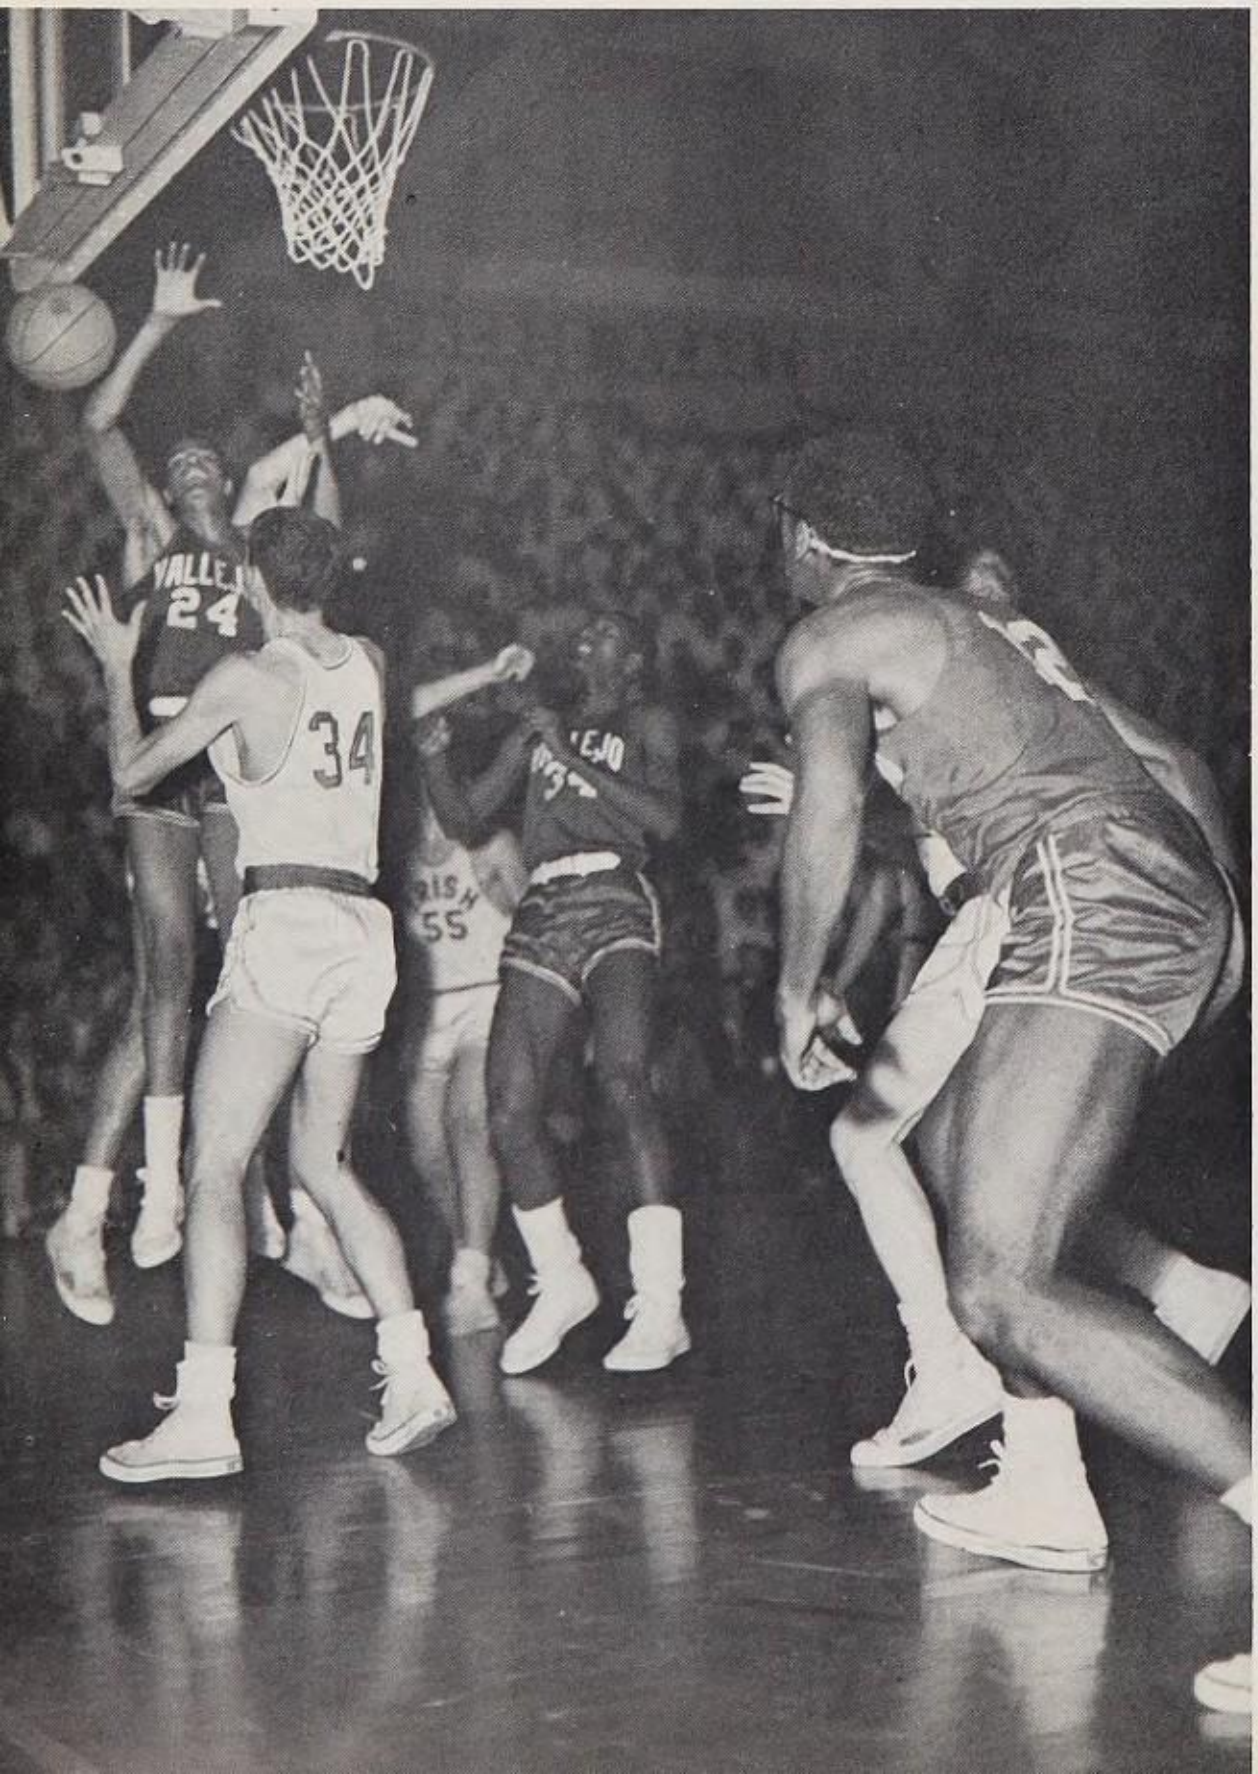
"To the tune of spirited music by 30 top musicians from Virl Swan's pep band, students entered from two directions waving their pom pons up and down in unison. Once they were in, everyone sat down in one motion. The way the yell staff had the section cutting off yells at the end left people open-mouthed. Songs were sung and yells were given in a manner which would put any university or college to shame.

"Every one of the students did something for the history of Vallejo and rooting section in general. They deserved what we can call an All-America Championship Award for Excellence."





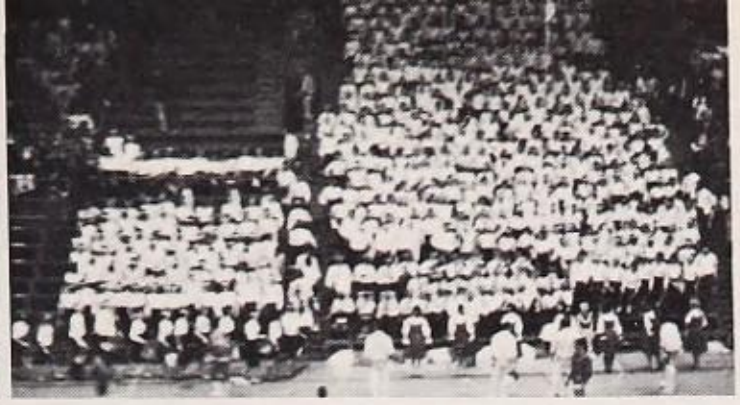
With the Yell Leaders directing the fans take their places; first the band, then row after row of white clad rooters



**"Onward Apaches,**
**fight, fight, fight,**
**Lead us to victory . . ."**
**(And that's just what they did!)**

The opening game gave the Apaches a chance to revenge an earlier defeat by Sacred Heart High School from San Francisco, the Apaches winning 30-24. Then the Apache rooters cheered the Eureka team on to victory, thus setting the bill for the following night.

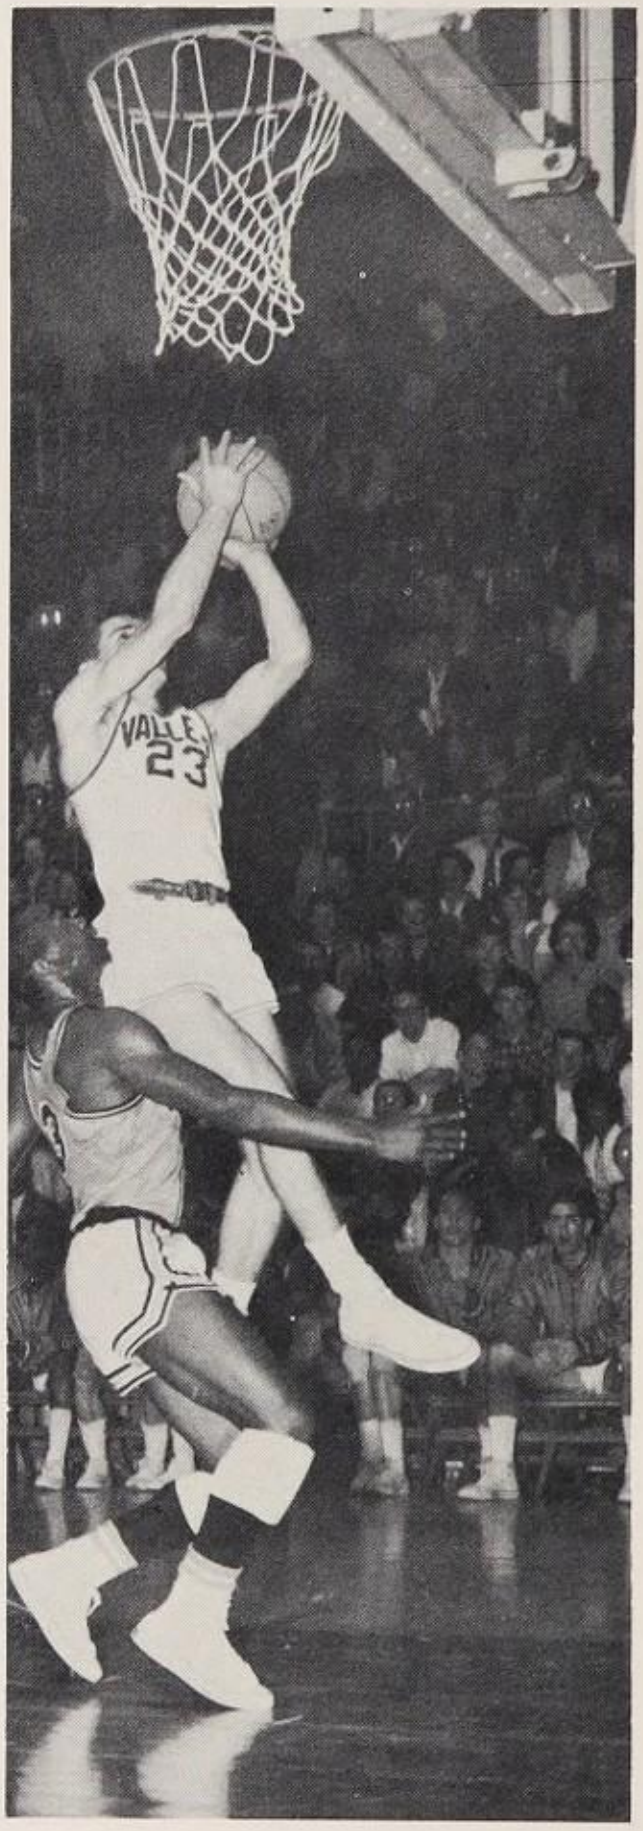
All three nights the audience was thrilled by the Vallejo High Pom-Pom Girls' excellent performance.



—the stands fill slowly, but at last 750 rooters await the signal to be seated and the game begins.

**"We're on the warpath**
**scalping to win,**
**Ring up the score again,**
**Vallejo."**
**(And again they came through!)**

The second game, a thriller against the Eureka High Loggers from Northern California, gained Vallejo the honor of playing in the finals. Fine defensive and offensive efforts by the Apaches resulted in a 49-35 score.



**"We are with you, always beside you, Come on, Vallejo, FIGHT!"**

Overshadowing the disappointment at the loss of the game to McClymonds, the spirit and determination of the team was matched by the color and precision of the rooting section. To quote the San Francisco Chronicle:

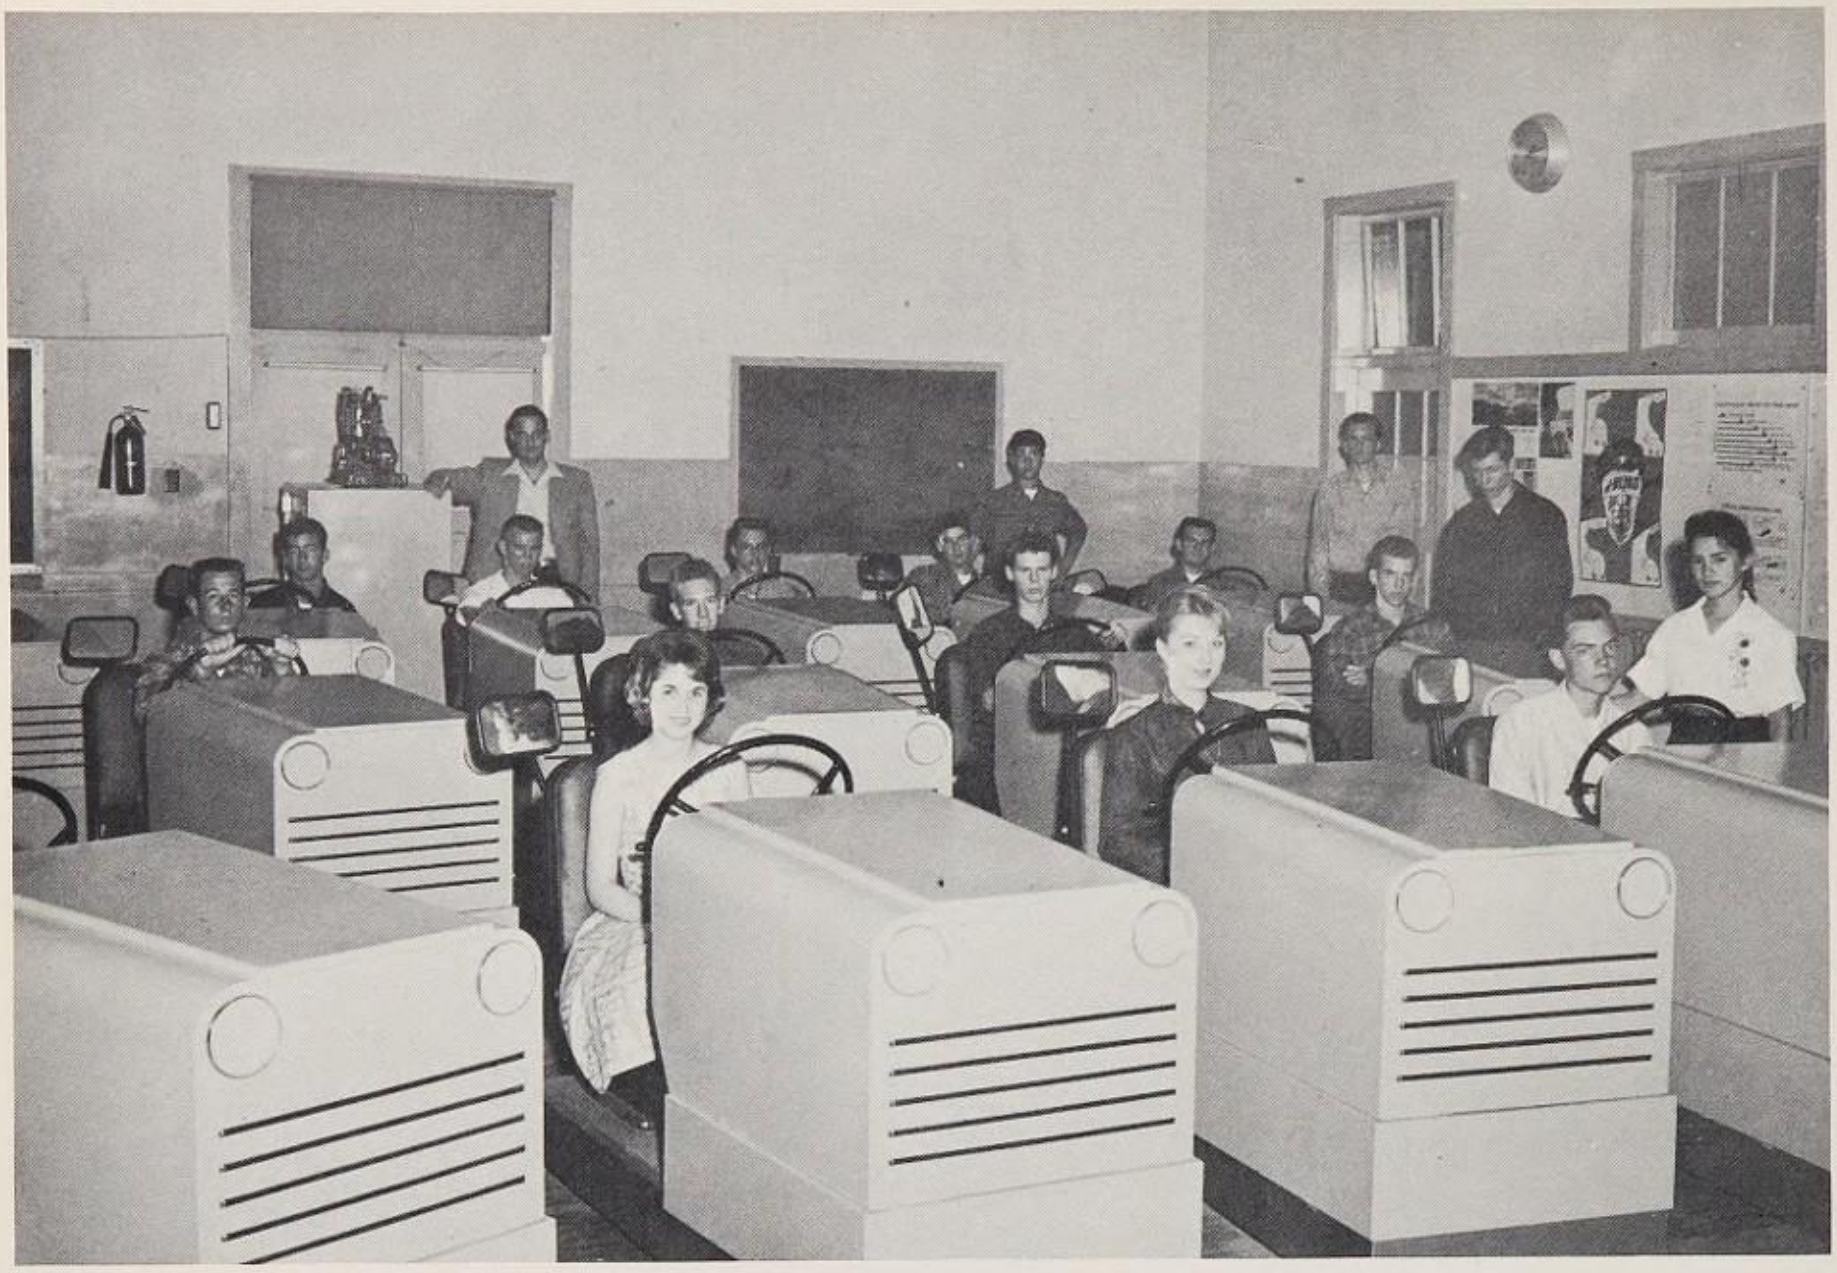
"Vallejo's basketball team may have lost out to omnipotent McClymonds in the finals of the Tournament of Champions at Berkeley Saturday, but the Apache rooting section scored a rousing victory."

Seldom does a school bring back four trophies from the Tournament of Champions, but we did it.

Not only did our rooting section win the tangible award of the trophy, there were many flattering comments from Tournament officials and civic leaders. While presenting the trophy for the Best Rooting Section, Dave Snyder, of the Tournament Committee, said:

"I don't want to slight past rooting sections but this (Vallejo) is one of the most remarkable ones in the fifteen-year history of the Tournament."

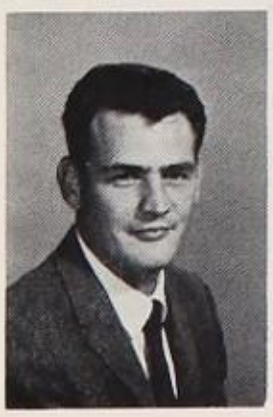
The team received the trophy for its second place position with each member receiving a small silver basketball. Bill Himes and Jerry Causey were awarded individual trophies signifying their selection to the All-Tournament Team.



# Driver's Training

Mr. Leonard

Mr. Yarnell



Mr. Knapp

Driver Training at Vallejo Senior High is under the able instruction of Mr. Knapp, Mr. Leonard, and Mr. Yarnell.

The Driver Training equipment was purchased and installed in the summer of 1959 at a cost of about $20,000. The cars cost $16,000, the recorder $2,000, the films $1,000 and the cables about $1,000.

The Drivo-Trainers teach the ways to manipulate the controls of a car and the basic fundamentals of driving. In these cars one can experience night driving and freeway driving through films. After 12 days of instruction in the Aetna Drivo-Trainers, the students have 12 days of driving cars donated by various Vallejo car dealers.

## STUDENT COURT

Students who have been reported by teachers or student councilmen for violating certain school rules, such as those prohibiting littering or smoking on the school grounds, are subject to trial by the student court. The court meets at least twice a month during seventh period. It is composed of twelve student members and the advisor, Mr. Jones. The offices held by the students are the Chief Justice, eight associate justices, two scribes and a bailiff. When a student is brought before the court, he is given an opportunity to speak in his own behalf and to give an explanation for his alleged misconduct. After the student has appealed to the court, he is dismissed from the courtroom while the student court members decide, by majority rule, to what degree the student is guilty, and by what means he should be punished. The student is then brought back into the courtroom and told the decision of the court. Another major function of the court is the counting of all ballots in student elections.

## STUDENT COUNCIL

The student council of our school functions in much the same ways as the executive branch of our country's government. There are twenty-five members of our student council, eighteen of whom are elected, six from each of the three classes, to represent their respective classes in the council. The remaining seven positions are filled by: the President of the Student Body, the Vice President of the student body, who acts as head of the council meetings; the Secretary of the Student Body, who keeps the minutes of the meetings; two councilmen at large, the Senior Yell Leader and the Head Pom Pon Girl. Each member of council is assigned to a committee on which he serves for the duration of his term. A few of the major committees are the Recapitulation Committee, the Assemblies Committee and the Publicity Committee. On Mondays, Wednesdays, and Fridays, the Council meets in regular session to carry on such business as the finances of the Student Body. On Tuesday and Thursday the Council meets in its separate committees to consider particular committee.

A debt of gratitude is owed the members of Council for their fine work as the governmental leaders of our Student Body.

# Varsity Baseball

The Apache baseball squad, under the able coaching of Dick Biama, has started out to be one of the finest in recent years at Vallejo High. Consisting of many of the players from the championship Post 550 team of last summer, the Apaches have compiled a record of 10 wins and only 2 losses as the Arrow goes to press. The squad won the consolation prize at the South San Francisco Invitational Tournament and also polished off town rivals in the first game of the city Championship. This fine 1961 squad features a crack infield, and fine outfield, and an ace mound staff. They round out the field with fine hitting all around. With such a fine team as this, we should finish out the rest of the season undefeated.

# Junior Varsity

Our Junior Varsity baseball teams have been playing red-hot ball since the program started at Vallejo High in 1958. As the Arrow goes to press, the Chiefs have compiled a record of 5 wins and 1 loss with the season just starting. Furthermore, since 1958, Coach Grove has engineered his clubs into a fantastic record of 50 wins and only 3 losses. As if winning wasn't enough, the Chiefs have run up some very one-sided scores such as 25-4 against Drake and 24-1 against Albany. The J.V.s always feature a well rounded squad with fine hitting, pitching, and defensive playing. This year Norm Tanner has joined the Chiefs' coaching staff and the squad is bigger and better than ever. We strongly believe that the Vallejo High Chiefs are one of the finest, if not the best, junior varsity baseball squads in Northern California.

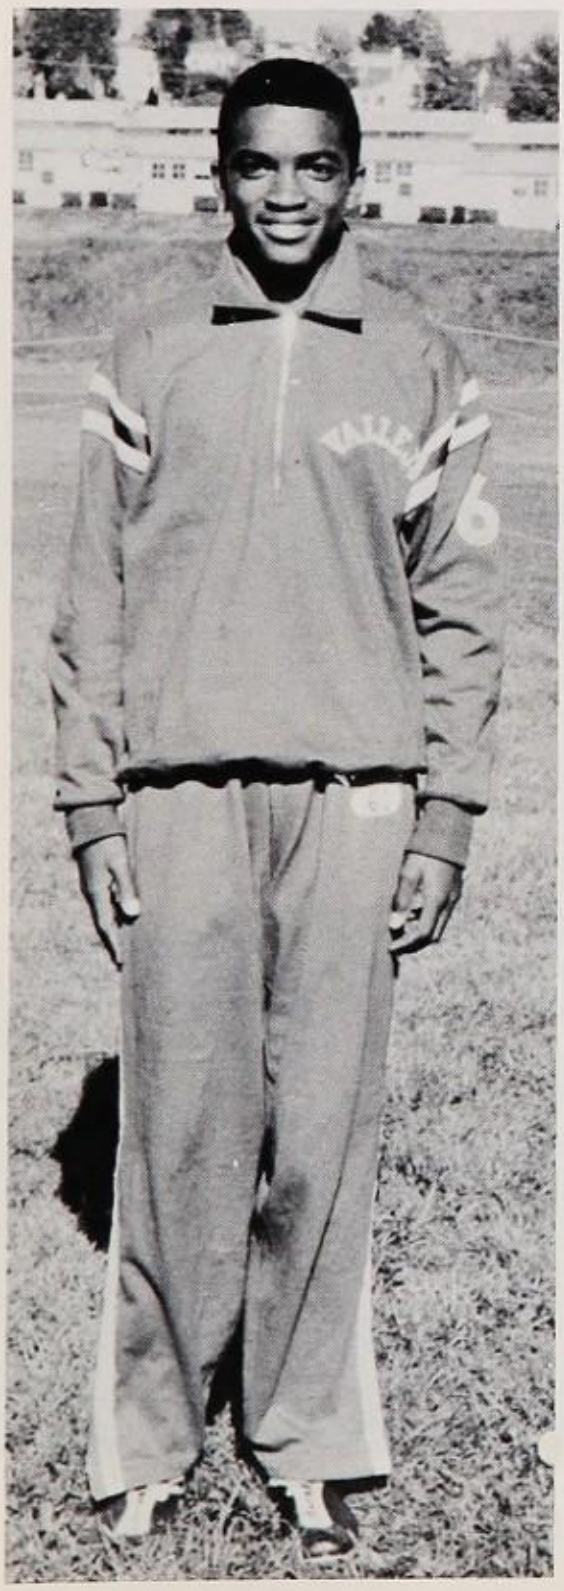
Shown here are the members of the Vallejo High Class "A" Track Team. The team has made a good showing in competition this year and, although it is not a member of the league, it has proven to be the number one team in the area. Check the supplement to see how good we are as prophets.



Ardis Issac, an ace broad jumper, is one of the best men of the team. Bruno Pelligrini, Head Coach, feels that Ardis is the best prospect for number one broad jumper on this year's team.

Although only a junior, Roger Sturgeon is the fastest miler on the "A" Track Team. So far, this season, he has been undefeated. His fastest time, 4:38, is only two short seconds away from the school record set in 1936.

**TO THE STUDENTS OF THE V.H.S.:**
This has been one of the most outstanding years in the history of Vallejo High School. It has been our pleasure, as your yearbook staff, to record the events of this prosperous year. We wish to thank all those who made this publication possible: Red and White, photography department, Office Staff and support of our faculty.

At this time I would like to give a special THANKS to the members of the Arrow staff, each member has worked very hard and without their perseverance the Arrow would have never existed.

This book is published with the sincere hope that you will enjoy it now and even more in the years to come.

# Problems Committee

Dear Lorna,
You are a very sweet girl and I am glad that we have become friends. Best of luck in (everything) you attempt. Love ya (Bobbie) Barbara Odenweller Ann

The Youth Problems Committee was formed early during the school year in order to better relations among students. After electing officers and appointing committees, the group held weekly discussion meetings.

The Student Opinion Poll, a questionnaire giving students a chance to express their views on various subjects, was the result of these meetings.

After the tedious and time-consuming task of tallying these surveys, the statistics were passed along to the Citizens Committee on Youth Behavior upon request. Student repres entatives met with these adult leaders in the community to co-ordinate the thinking of both groups.

In the spring semester, student speakers from the Youth Problems Committee visited various service groups and civic organizations to present brief talks on the purposes and functions of their group, the basic questions and problems among youths, and the manner in which these challenges can be met.

# P.T.A.

One of the most worthwhile organizations, which often goes without recognition by students, is the Parent-Teacher Association. This year's theme has been to "open doors to new frontiers for children and youth." There is much to be done to bring about a closer relationship between school and home, but through co-operating with administrators and teachers, the men and women of the P.T.A. work toward accomplishing this aim. The thanks and praise of the students of Vallejo Senior High go to this fine association.
